Description **Size:** 12.5 x 4.5 cm

Birch bark crafts came to us from the depths of centuries from our ancestors. In ancient times, boxes for food and drink storage were made of birch bark. Now there are not many such items in everyday life, but they have not lost their popularity and are symbols of beauty and prosperity. A handicraft of birch bark may be an original decoration and a practical storage for small things at home or an exclusive gift for your loved ones.
