The brooch reflects winter spirits: the dark blue winter evenings, frozen water and warm light from the windows.

Large beads of Australian merino wool adjoins agate, Czech glass and juniper wood beads. The beautiful carved bead reminds about frosty patterns on the windows.

Decorated by accessories imitating antique silver.

Nice decoration for your coat, scarf, handbag, jacket.

May be modified to use as a barrette (hairpin) upon your request - please let us know when you make an order.
