Description Contains: cedar resin, cedar nut oil, sea buckthorn oil, linseed oil and propolis. The components of Zhivaton combined together provide great cumulative healing effect compared to each component on its own. For adults it is recommended to take 2 tea spoons 3 times a day.

Resin in turpentine balm accelerates upto 10 times the metabolism in the human body. Cedar oil in turpentine balm serves as regeneration by providing cells of the body all the necessary material for reconstruction and renovation.

Russian common name for cedar resin "Zhivitsa" derived from "Zhiva" which means "Life" or "Life Power". It is called so for reason - it is one of the best remedies for wound healing.
